**Messrs Umm Al Qaiwain Cement Industries Co.  
A Public Shareholding Company,  
Umm Al Qaiwain - United Arab Emirates.**

*Introduction*

We have reviewed the accompanying condensed statement of financial position of **Umm Al Qaiwain Cement Industries Co. (a public shareholding company)** – **Umm Al Qaiwain** as at March 31, 2014 and the related condensed statements of income, comprehensive income, changes in shareholders' equity and cash flows for the three-month period then ended, and selected explanatory notes. Management is responsible for the preparation and fair presentation of this condensed interim financial information in accordance with International Accounting Standard No. 34, "Interim Financial Reporting". Our responsibility is to express a conclusion on this condensed interim financial information based on our review.

*Scope of Review*

We conducted our review in accordance with International Standard on Review Engagements 2410, "Review on Interim Financial Information Performed by the Independent Auditor of the Entity." A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

*Conclusion*

Based on our review, nothing has come to our attention that causes us to believe that the accompanying condensed interim financial information is not prepared, in all material respects, in accordance with International Accounting Standard No. 34, "Interim Financial Reporting".
